

LOCTITE® SF 7617

Known as LOCTITE® Industrial Hand Wipes
January 2015

PRODUCT DESCRIPTION

LOCTITE® SF 7617 provides the following product characteristics:

Technology	Aqueous Based
Cure	Non-curing
Application	Hand cleaner
Specific Benefit	<ul style="list-style-type: none"> • 24 cm X 30.5 cm towels available in 75 and 130 count canisters • Leaves no residue • No rinsing • No drying

LOCTITE® SF 7617 are premoistened with a powerful cleaning formula that is capable of removing tar, grease, wax, ink, paint, lubricants, and adhesives. They leave behind a fresh citrus scent as they clean. While effective on tough grime, the cleaning formula is enhanced with natural oils and emollients. The abrasive yet non-stratching fabric aids in cleaning and replaces the need for messy, ineffective rags and soap. Typical applications of this product include agriculture, transportation, painting, industrial, printing, maintenance, recreation, marine, plumbing, construction, and manufacturing.

GENERAL INFORMATION

This product is not recommended for use in pure oxygen and/or oxygen rich systems and should not be selected as a sealant for chlorine or other strong oxidizing materials.

For safe handling information on this product, consult the Safety Data Sheet (SDS).

Directions for use:

Scrub hands with abrasive side of towel, then use the smooth side to wipe clean. Discard used towels appropriately

Not for product specifications

The technical data contained herein are intended as reference only. Please contact your local quality department for assistance and recommendations on specifications for this product.

Storage

Store product in the unopened container in a dry location. Storage information may be indicated on the product container labeling.

Optimal Storage: 8 °C to 21 °C. Storage below 8 °C or greater than 28 °C can adversely affect product properties. Material removed from containers may be contaminated during use. Do not return product to the original container. Henkel

Corporation cannot assume responsibility for product which has been contaminated or stored under conditions other than those previously indicated. If additional information is required, please contact your local Technical Service Center or Customer Service Representative.
