

Technical Data Sheet

CHEMZ Label Strip

CMZ7774 400ml

Removes adhesive labels easily and quickly

- Penetrates and neutralises adhesive
- Does not damage most surfaces
- Residue easily wiped off
- Useful in home, office or industry

Chemz Label Strip is formulated to remove adhesive paper labels and glue residues from all types of materials.

Chemz Label Strip removes adhesive labels easily and quickly without damage.

Chemz Label Strip penetrates the paper label and neutralises the labels adhesive strength.

Chemz Label Strip also neutralises glue residues found on packaging and labelling machinery.

Chemz Label Strip has a wide field of applications in the home, schools, offices, warehouses, shops, supermarkets, showrooms, handicraft, sporting areas, labelling industry, automotive, factories, food industry, meat and fish packing and fruit and produce areas.
