Chemz Penetrene Multi for use in workshops, farm, home & hobby applications include hinges, windows, chains, engine parts, truck and tractor, moving parts, roller doors, bicycles, motorcycles, toys, lawnmowers and garden tools.

Chemz Penetrene Multi also has Marine and Sporting goods application at stopping rust and corrosion whilst cleaning and lubricating.

Technical Information:

Appearance	Clear, colourless liquid
Odour	Mild, characteristic
Type of Film	Oily, wet
Dry Time	Non-drying wet oil
Specific Gravity	0.75
Temperature Range, °C	-10 to +150
Kinematic Viscosity (oil), mm ² /s 40°C	15 – 25
Corrosion Protection (Salt Spray)	Up to 500 hours
Falex Lubrication Test, hours	790
Propellant	Hydrocarbon

MPI C12 (All animal products except dairy)
